## The Corby 6th Form

The old Chisholm House building is now being transformed into a new state of the art Campus for local 16-18 year olds. **T&B Contractors are working with The Bedford College Group** to re-purpose and renovate the building. It will be a carbon neutral building using the latest innovative technologies to bring this ground-breaking and modern building to the heart of the town centre.

Our work has now started transforming the building ahead of its opening for the Autumn term. When completed, the 40,000 sq. ft Corby Sixth Form will offer a wide range of A Level subjects and comprise an impressive new entrance, over 25 classrooms, state of the art science labs, resource centres and performance areas. Students will be able to enjoy an external roof terrace, a modern café and common room areas – all in a town centre location.

### So, we need your help.....

**The Hoarding around our site is a safety “barrier”**, screening the works, keeping people on site safe, and the general public safe by no unauthorised access.

The Hoarding is a **blank canvas** and great opportunity for displaying artwork for the duration of the construction, visible to the Corby community.

The themes for the Design Competition and how to enter are illustrated overleaf.

## The Design Brief

The Competition is organised by T&B and The Bedford College Group. Winning artwork will be showcased onto the Hoarding where it will be on view to the Corby community, on social media and our websites.

Your designs will help promote important topics within the Construction industry. As the building is being designed as 'Carbon Neutral', Sustainability is high on the agenda in its construction.

**The themes for the competition are:**

### Theme 1 SUSTAINABILITY

Your design should illustrate the importance of Sustainability in construction. This will be based on your interpretation and research of the subject.

### Theme 2 CAREER DIVERSITY

A design that showcases the many diverse roles that are available in the Construction industry, for men and women. Both site and office based, explore the options!

Winner  
of each  
category  
receives a  
**£250**
